Slick Brown

USE:

Remove cap and squeeze gently as you 'draw' with the tip. Allow to dry in a flat position for 4-8 hours. Derivan 3D Kindyglitz may also be applied with a brush.

Apply Derivan 3D Kindyglitz Puff Black or White onto the project and leave to dry, then heat with a hairdryer to activate.

COLOUR MIXING:

All the colours may be intermixed to form other interesting colour combinations.

CLEAN UP:

Wash all utensils, brushes and hands with soap and water to clean up.

REMOVAL OF PAINT STAINS:

Derivan 3D Kindyglitz is made to be permanent once cured, so suitable clothing should be worn as some staining may occur. We advise to wash stains out immediately with cold water and household soap, taking care not to spread the stain. Do not use hot water, chemical solvents or thinners.

HEALTH AND SAFETY:

Derivan 3D Kindyglitz is a non-toxic water-based paint containing water, pigment and acrylic. For further safety information, download the Safety Data Sheet from our website www.matisse.com.au.

ABOUT US

Matisse Derivan have created a large range of paints suitable for all artists from preschoolers to professionals, and to suit many creative interests in between. The Matisse Derivan range encompasses not only the finest artist acrylic colours and mediums, but also includes industry leading, safe, children friendly paints such as Brush & Finger Paint, Face & Body Paint, and Kindyglitz - Australia's most popular glitter glue. Water-based alternatives have also been developed for block printing ink and screen printing ink - allowing educators, parents and artists to work safely.

More recently Matisse Derivan has expanded their range with vibrant acrylic inks, and specialty miniature

and model paints and are looking towards the future with new products being developed continually.

As part of the company's 'community and social responsibility policy' Matisse Derivan provide work to several disabled staff as well as providing support to schools, art schools and charities all over Australia.

Matisse Derivan is proud to use raw materials sourced from Australia whenever possible.
